Turn-key, fully remodeled, and packed with features this Chapin Township property offers more than most in its price range. Conveniently located near M-57 and US-127, you'll enjoy quiet country living without sacrificing access to town. This 3-bedroom, 2-bath home features an updated kitchen with an island and plenty of storage, remodeled bathrooms with ceramic showers, and a comfortable family room addition with woodstove. Step outside to a beautifully maintained, fenced yard with a recently cleaned pond, hot tub, and plenty of space to relax or entertain. The attached 2-car garage, pole barn with workshop, and additional storage options make this property as functional as it is attractive. If you've been waiting for something move-in ready with space and extra, this is one you don't want to miss.
